

**Resource Three: Group Work Peer Assessment**

Successful groups contain members who are not only self-aware, but also contribute equally to the collaborative process. Place the names of the members of your group, including your own, in the appropriate boxes below. Then, place a number in the boxes under each category indicating the degree of effort on a scale of 1-10 with 10 being highest and 1 being lowest. If you feel hesitant about giving someone a low score in a particular category, provide a brief explanation of your reasoning in the comments section below the table. Likewise, if you feel that someone did an exceptional job, elaborate on the details.
